

GLOW COVID Policies

Child Name: _____ DOB: _____

Parent Name: _____

Due to the current increasing numbers locally, GLOW is taking measure to help ensure everyone's safety from the virus. By signing this form, you are acknowledging these steps and are willing to follow these precautions in order to keep you, your child and your child's teacher healthy and at GLOW.

*When you arrive at GLOW, you and your child will fill out a COVID questionnaire and have your temperature taken. If you or your child has a fever above 99.9, then you will not be able to enter the GLOW space.

*You must wear a mask at all times inside the GLOW spaces. If your child can tolerate a mask, please have them wear a mask. If a child is 5 years or older, they are required to wear a mask. We have children's sizes face shields and disposable masks if you need one. We also have some adult disposable face masks if you need one.

*When you enter a GLOW classroom, please wash your hands and your child's hands before you settle your child into their classroom space.

*Please bring as few of items from home as possible. One special comfort object and one set of clothing for their cubby is fine. GLOW will have extra clothing in your child's size if there is further need.

*Check in with your child's teacher about any new behaviors, sleep issues or symptoms.

*As always, your child may not attend GLOW if they have a fever above 99.9, have vomited or had diarrhea in the past 24 hours. Additionally, due to COVID, if your child has a new symptom of any kind - a runny nose, a cough or a sore throat - you will not be able to leave your child at GLOW until you have a negative COVID test result or until the symptom has been resolved for 72 hours.

*We know how difficult this situation is for everyone. Please communicate with your child's teacher and we will work with you as much as we can within the law and safety parameters.
